"People travel from all over the world to attend CatConLA, Purina ONE thought it would be an ideal place to host a unique experience to connect with cat owners," said Brian Williams, Brand Manager for Purina ONE. "The Whole Body Health Hotel presented by Purina ONE will launch our innovative new Tender Selects Blend cat food while immersing guests in an interactive Whole Body Health experience at their CatConLA home away from home."

With two unique textures, Purina ONE® Tender Selects Blend satisfies cats' appetites to provide all the nutrition they need for lifelong whole body health. As an official sponsor of CatConLA, Purina ONE will launch and distribute samples of Tender Selects Blend at its booth (#427).

Guests who make a reservation at the Whole Body Health Hotel will start their tour in the Whole Body Health Suite, which will introduce them to the concept of giving their cat a healthy, happy life as well as underscoring the importance of monitoring their feline friend every day to identify changing needs in her appetite, behavior or physical appearance. From there, Concierges will guide guests through a series of rooms, each exploring a tenet of whole body health:

- **Physical Suite:** The Physical Suite will provide guests with expert analysis on what physical signs say about their cat's health. A Purina Veterinarian (Deborah S. Greco, DVM, PhD, Diplomate ACVIM) will be on-hand to show guests how they can determine and help maintain the ideal body condition of their own cat.
- **Behavior Suite:** The Whole Body Health Hotel's Behavior Suite features climbing perches and hiding places to demonstrate the behaviors of various feline personality types that Purina ONE's feline behaviorist (Jackie Ellis, Ph.D.) will tell guests about.
- **Appetite Suite:** In the Appetite Suite, guests will encounter vignettes that demonstrate various feline feeding and hydration methods, as well as explore the science behind proper bowl placement, feeding cadence and more with Purina ONE's resident feeding behavior scientist (Annie Valuska, Ph.D.).

The Whole Body Health Hotel will be open at the Ace Hotel in Downtown Los Angeles on

Saturday, June 25 (5:00 p.m. – 9:00 p.m.) and Sunday, June 26 (4:00 p.m. – 9:00 p.m.). Reservations are required but free of charge and can be arranged at <https://wholebodyhealthhotel.eventbrite.com>.
