To celebrate the 20<sup>th</sup> anniversary of the Purina Pro Plan Incredible Dog Challenge (IDC), Purina Pro Plan hosted an exhibition event on the historic USS Midway Museum in San Diego on Tuesday, Nov. 7 during Veterans Week. The event marked the conclusion of the brand's "Call for Incredible" campaign celebrating the incredible things dogs are capable of, and featured demonstrations of agility, 30-weave racing, and freestyle flying disc by top IDC canine athletes on the deck of America's longest-serving aircraft carrier of the 20th century. Footage from the event can be seen [here](#).

As part of "Call for Incredible" campaign, Purina Pro Plan invited dog owners to share photos and stories explaining what makes their dogs incredible. Each entry triggered a one-pound food donation of Purina Pro Plan to America's VetDogs, an organization that trains and places guide and service dogs with veterans who have disabilities. As a result of the campaign, Purina Pro Plan donated more than 15,000 pounds of dog food.

"For two decades, the Purina Pro Plan Incredible Dog Challenge has been giving talented canines a stage to demonstrate their amazing athletic abilities," said Christi Maginn, Brand Director, Purina Pro Plan.

"We're honored to host this special event aboard the historic USS Midway Museum, America's living symbol of freedom, during Veterans Day week."
